

CURRICULUM VITAE

CONTACT DETAILS

Dr. Holly Ann Harris

Email (work): harris@essb.eur.nl

Website: <http://hollyaharris.com/>

CAREER OBJECTIVE

I aspire to be an international leader in the innovation of nutrition behaviour interventions to optimize population health.

QUALIFICATIONS

- 2018 Doctor of Philosophy
School of Exercise and Nutrition Science
Queensland University of Technology (QUT), Australia
Supervisors: Prof. Karen Thorpe, Emeritus Prof. Lynne Daniels, Dr. Elena Jansen, Dr. Kimberley Mallan
- 2012 Bachelor of Health Science (Nutrition and Dietetics) (First Class Honours)
QUT
-

CURRENT EMPLOYMENT

- 1 Oct 2022 – Present Assistant Professor
Department of Psychology, Education and Child Studies
Erasmus School of Social and Behavioural Sciences
Erasmus University Rotterdam, The Netherlands
-

AWARDS & HONORS - HIGHLIGHTS

- 2019 Horizon 2020-Marie Skłodowska-Curie COFUND Programme “Leading Fellows” Postdoctoral Fellowship, Erasmus MC - University Medical Center, the Netherlands (€184.000)
- 2019 First prize in Short Talk Competition, 12th Annual Postdoc Research Exhibition Society, The Pennsylvania State University (PSU) (\$US 600, equiv. €510)
- 2019 Outstanding Doctoral Thesis Award, QUT (\$AU 1 000, equiv. €625)
Awarded to top 5% of doctoral candidates for excellence in higher degree research practice
- 2017 Best Observational Paper of 2016, International Journal of Behavioral Nutrition and Physical Activity (**IF=8.925**) - *First author publication*
- 2017 State Finalist at the FameLab State Finals at the World Science Festival, Brisbane
- 2016 Three Minute Thesis Overall Runner Up *and* People’s Choice Award, Faculty of Health Winner, QUT (\$AU 1 100, equiv. €690)
- 2015 Endeavour Postgraduate Award, Australian Government (\$AU 65 000, equiv. €40.650),
Funding to support a 6-month scholarship at University College London, UK
- 2014 Research Training Program Scholarship, Australian Government (\$AU 80 000, equiv. €50.000)
-

RESEARCH

My research skills span across multiple disciplines including nutrition and dietetics, developmental psychology, public health and epidemiology. I have received the equivalent to over €410,000 in internal and external scholarships and grants. In my experience as a researcher in Australia, the UK, the USA and Europe, I have developed meaningful collaborations with academics all over the world to generate high-impact, quantitative and qualitative research outputs.

GRANTS

- 2019 Reading for Healthy Feeding: An interactive activity box to support low-income parents' responsive feeding practices - \$US 15 100 (equiv. €12.830)
Barnes and Nobel 2019-2020 Gift Disbursement
Role: Co-Principal Investigator (*contributed to writing the grant*)
- 2018 The when, what, and how of observing and assessing practice in Early Childhood Education and Care: Towards an observational framework for Queensland's Authorised Officers - \$AU 88 000 (equiv. €55.040)
Education Horizon Project Grant, Department of Education (Queensland Government)
Role: Co-investigator (*contributed to writing the grant*)
- 2018 Mealtimes Matter: Childcare as window into food insecurity and food socialisation in low-income communities - \$AU 84 000 (equiv. €52.530)
Life Course Centre (The University of Queensland [UQ]) Project Grant
Role: Co-investigator (*contributed to writing the grant and undertaking the study*)
- 2015 What fathers want: Exploring approaches to successfully engage fathers in child health and well-being research and interventions - \$AU 9 000 (equiv. €5.630)
School of Exercise and Nutrition Sciences (QUT) Seeding Grant
Role: Co-investigator (*contributed to writing the grant and conducting the study*)
- 2015 Mums And Dads (MAD) for Mealtimes: Identifying strategies for optimising recruitment of families from socioeconomically disadvantaged areas - \$AU 5 000 (equiv. €55.040)
Institute of Health and Biomedical Innovation (QUT) Child and Adolescent Health Group
Role: Co-investigator (*contributed to writing the grant and conducting the study*)

REFEREED JOURNAL ARTICLES

Total publications: 23 (first author: 13; second author: 7; last author: 1)

h index: 8 (source: Web of Science, 9 May 2022).

**Most read article in journal during the first quarter of 2021; ** Awarded Best Observational Paper of 2016 in the International Journal of Behavioral Nutrition and Physical Activity; †Denotes work by student under my supervision*

1. Thorpe K, Hussain Potia A, Searle B, Van Halena O, Lakeman N, Oakes C, **Harris HA**, Staton S. Meal provision in early childhood education and care programs: Association with geographic disadvantage, social disadvantage, cost, and market competition in an Australian population. Accepted in *Social Science and Medicine*.
2. **Harris HA**, Bowling A, Santos S, Greaves-Lord K, Jansen PW. Child ADHD and autistic traits, eating behaviours and weight: A population-based study. *Pediatr Obes*. 2022;17:e12951.

22. ****Harris HA**, Fildes A, Mallan KM, Llewellyn CH. Maternal feeding practices and fussy eating in toddlerhood: a discordant twin analysis. *Int J Behav Nutr Phys Act*. 2016;13(1):81. doi: 10.1186/s12966-016-0408-4.
23. **Harris HA**, Mallan KM, Nambiar S, Daniels LA. The relationship between controlling feeding practices and boys' and girls' eating in the absence of hunger. *Eat Behav*. 2014;15(4):519-522. doi: 10.1016/j.eatbeh.2014.07.003.

MANUSCRIPTS UNDER REVIEW

24. Derks IPM, **Harris HA**, Staats S, Gaillard R, Dieleman GC, Lewellyn CH, Swanson SA, Jansen PW. Subclinical binge eating symptoms in early adolescence and its preceding and concurrent factors: A population-based study. Under review in *Int J Eat Disord*.

CONFERENCE PRESENTATIONS

1. Kininmonth AR, **Harris HA**, Nas Z, Derks IPM, Boniface D, Jansen PW, Llewellyn CH. Prospective associations between parental feeding practices in early childhood and the onset of eating disorder symptoms in adolescence using Generation R and The Gemini Study. Oral presentation at the *United Kingdom Congress on Obesity Annual Meeting*; September 7-8, 2022; Lancaster. **Won overall Best Abstract award*.
2. Nas Z, Derks IPM, Kininmonth AR, **Harris HA**, Jansen PW, Llewellyn CH. Obesity-related appetitive traits as predisposing risk factors for binge-eating symptoms in early adolescence: Results from the Gemini twin study and the Generation R study. Oral presentation at the *United Kingdom Congress on Obesity Annual Meeting*; September 7-8, 2022; Lancaster, UK.
3. Ayre S, **Harris HA**, White M, Byrne RA. Food-related parenting practices and styles in households with sibling children: A scoping review. Oral presentation at the *International Society of Behavioral Nutrition and Physical Activity Annual Meeting*; May 19, 2022; Phoenix, USA.
4. Sader M, **Harris HA**, Waiter G, Jackson M, Williams J, Jansen PW. Characterising Avoidant Restrictive Food Intake Disorder in Children: A Population-Based Approach. Symposium at the 19th International Congress of the *European Society for Child and Adolescent Psychiatry (ESCAP)*; June 19-21, 2022; Maastricht.
5. Jansen PW, **Harris HA**. Links between autism symptoms and problematic eating across childhood. Symposium at the 19th International Congress of the *European Society for Child and Adolescent Psychiatry (ESCAP)*; June 19-21, 2022; Maastricht.
6. **Harris HA**, Jansen PW, Derks IPM. Child autistic traits, eating problems and nutrition-related outcomes in a population-based cohort. Oral presentation at the *Eating Disorder Research Society Annual Meeting*; September 17-19, 2021; online.
7. Jansen PW, **Harris HA**, Derks IPM. Subclinical binge eating symptoms during early adolescence and its preceding characteristics: A population-based study. Poster presentation at the *Eating Disorder Research Society Annual Meeting*; September 17-19, 2021; online.
8. **Harris HA**, Blaine RE, Bowling A, Bandini L. Promoting inclusive nutrition and physical activity research: Supporting the health behaviors of neuroatypical children and their families. Symposium at the *International Society of Behavioral Nutrition and Physical Activity Annual Meeting XChange Initiative*; June 8-10, 2021; online. *Personal role: Chair and organiser of symposium*.
9. **Harris HA**, Mou Y, Voortman T, Jansen PW. Child autistic traits, food selectivity and diet quality: A population-based study. Poster presentation at the *NUTRITION 2021: American Society of Nutrition Annual Meeting*; June 7-10, 2021; online.
10. **Harris HA**, Anzman-Frasca S, Marini ME, Paul IM, Birch LL, Savage JS. Effect of a responsive parenting intervention on child emotional overeating is mediated by reduced maternal use of food to soothe: The INSIGHT RCT. Invited oral webinar presentation for the *Pediatric Obesity Special Issue* dedicated to Leanne Birch: *Parenting and the Development of Eating Behaviors in the Growing Child*; September 22, 2020; online.
11. Jansen E, Ria-Searle B, **Harris HA**, Thorpe K. What children bring to the table: The association of temperament and child fussy eating with maternal and paternal mealtime structure as part of Symposium: Fathers' food parenting research: Tools to move the field forward. Oral presentation at the *International Society of Behavioral Nutrition and Physical Activity Annual Meeting XChange Initiative*; June 24, 2020; online.
12. **Harris HA**, Marini ME, Paul IM, Birch LL, Savage JS. Mothers' Food to Soothe and Child Emotional Overeating: A Mediation Analysis from the INSIGHT RCT. Oral presentation at *The Obesity Society Annual Meeting*; November 4-7, 2019; Las Vegas, USA.
13. **Harris HA**. Eating your feelings: Understanding how parents influence children's development of emotional overeating in an obesity-prevention program. Oral presentation at *The Pennsylvania State University 12th Annual Postdoc Exhibition*; September 18, 2019; University Park, USA.

14. **Harris HA**, Staton S, Morawska A, Gallegos D, Oakes C, Thorpe K. Waste not, want not: A comparison of maternal feeding responses to child fussy eating in low-income food secure and food insecure households. Oral presentation at the *International Society of Behavioral Nutrition and Physical Activity Annual Meeting*; June 5-8, 2019; Prague, Czech Republic.
15. Jansen E, **Harris HA**, Rossi T. Fathers' perceptions of family feeding: A grounded theory of Family Food Labour. Oral presentation at the *International Society of Behavioral Nutrition and Physical Activity Annual Meeting*; June 5-8, 2019; Prague, Czech Republic.
16. Martin CL, Järvelä-Reijonen E, **Harris HA**, Fulkerson JA. Food Insecurity, Socio-Demographic Characteristics and Weight-Related Outcomes: A Multiple Country Collaboration from Members of the ISBNPA Society Mentorship Program. Oral presentation in symposium at the *International Society of Behavioral Nutrition and Physical Activity Annual Meeting*; June 5-8, 2019; Prague, Czech Republic.
17. **Harris HA**, Kling SMR, Marini M, Bailey-Davis L & Savage JS. Infant growth measurements across care settings: Implications from the WEE Baby Care study. Poster presentation at the *National Institute of Health Body Composition Workshop*; May 30 & 31, 2019; Washington DC, USA.
18. **Harris HA**, Mallan KM, Jansen E, Daniels L, Thorpe K. Interplay of mothers' and fathers' feeding practices and child fussy eating in a socioeconomically disadvantaged community. Poster presentation at the *International Society of Behavioral Nutrition and Physical Activity Annual Meeting*; June 7-10, 2017; Victoria, Canada.
19. Byrne R, Fildes A, Jansen PW, **Harris HA**. Invited discussant for the symposium 'Is it time to change the way we talk about fussy eating?' at *International Society of Behavioral Nutrition and Physical Activity Annual Meeting*; June 7-10, 2017; Victoria, Canada.
20. Jansen E, **Harris HA**, Daniels L, Thorpe K, Rossi A. Engaging Fathers in Child Nutrition Research as part of Symposium 81: The role of fathers in supporting child health behaviors. Oral presentation at the *38th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine*; March 29- April 1, 2017; San Diego, USA.
21. Jansen E, Mallan KM, **Harris HA**, Daniels L, Thorpe K. Fathers' interest in healthy eating programs – Preference for online and family-focused programs. Poster presentation at the *Australian and New Zealand Obesity Society Annual Meeting*; June 20-23, 2016; Brisbane, Australia.
22. **Harris HA**, Mallan KM, Daniels L, Gallegos D, Thorpe K. Targeting and recruiting socioeconomically disadvantaged families for participation in child nutrition research. Poster presentation at the *Australian and New Zealand Obesity Society Annual Meeting*; June 20-23, 2016; Brisbane, Australia.
23. **Harris HA**, Fildes A, Mallan KM, Llewellyn CH. Feeding Thing 1 & Thing 2: a discordant twin analysis of toddler's fussy eating and maternal feeding practices. Poster presentation at the *Australian and New Zealand Obesity Society Annual Meeting*; June 20-23, 2016; Brisbane, Australia.
24. Fildes A, **Harris HA**, Mallan K, Wardle J, Llewellyn CH. Maternal feeding practices and fussy eating in toddlerhood: a discordant twin analysis. Poster presentation at *The Obesity Society Annual Meeting*; November 2-7, 2015; Los Angeles, USA.
25. **Harris HA**, Fildes A, Mallan KM, Wardle J, Llewellyn CH. Maternal feeding practices and fussy eating in toddlerhood: a discordant twin analysis. Oral Presentation at *Institute of Health and Biomedical Innovation Inspires*; November 23-25, 2015; Brisbane, Australia.

EMPLOYMENT

EMPLOYMENT HISTORY

01/01/22 – 26/08/22	Research Associate Research lead on the 'Diet and Eating Behaviours in Early Adulthood Transitions' Study MRC Epidemiology Unit University of Cambridge, UK
30/11/19 – 28/01/22	Marie Skłodowska-Curie Postdoctoral Research Fellow (1.0 FTE) Department of Child and Adolescent Psychiatry and Psychology, Erasmus MC, University Medical Center (The Netherlands)

	Supervisor: Prof. Pauline Jansen Research project: <i>'Development of food selectivity and autism from childhood to early adulthood: The chicken-or-egg dilemma'</i>
28/01/19 – 29/11/19	Postdoctoral Research Fellow (1.0 FTE) Supervisor: Assoc. Prof. Jennifer Savage Center for Childhood Obesity Research The Pennsylvania State University
02/01/19 – 25/01/19	Postdoctoral Research Fellow (1.0 FTE) Institute of Social Science Research The University of Queensland
01/01/2018 – 31/12/2018	Associate Lecturer (1.0 FTE – Level A) School of Public Health, Faculty of Medicine The University of Queensland <i>Unit coordinator and lecturer for <u>four</u> 'Health, Society and Research' units for 1st and 2nd year Medical Doctor program students (~500 students in each unit)</i>
01/07/2015 – 1/11/17	Tutor (<i>teaching undergraduate students, 3-4 hours/ week for each semester</i>) 'Medical Nutrition Therapy' (3 rd year level) 'Nutrition across the Lifecycle' (2 nd year level) 'Food and Nutrition' (1 st year level) School of Exercise and Nutrition Sciences, Faculty of Health Queensland University Technology
01/09/15 – 1/12/16	Research Assistant – 'What Fathers Want' study (0.1 FTE) School of Exercise and Nutrition Sciences, Faculty of Health Queensland University Technology <i>Led focus groups, analysed data and contributed to the write up of manuscripts</i>
01/07/16 – 01/09/16	Research Assistant – 'Sleep in the Early Years' study (0.1 FTE) School of Psychology and Counselling, Faculty of Health Queensland University Technology <i>Contributed to data collection (observations in child care centres)</i>
01/07/14 – 01/12/14	Note-taker for Students with Disability (University Grade 4 - 0.6 FTE) University of Leeds <i>Created hand-written lecture notes for undergraduate and postgraduate students</i>
01/07/14 – 01/12/14	Research Internship with Professor Marion Hetherington (0.4 FTE) University of Leeds <i>Analysed observational video data of child eating behaviours and parent feeding</i>
01/01/14 – 01/07/14	Tutor (<i>Taught students one-on-one, 2 hours/week</i>) Indigenous Tutorial Assistance Scheme for Tertiary Tuition Queensland University Technology
01/09/13 – 01/07/14	Clinical Dietitian (0.8 FTE) Eat Me Nutrition Brisbane, Australia
01/06/13 – 01/09/13	Clinical and Community Dietitian (1.0 FTE) Healthier Great Green Way - Far North Queensland Docs Innisfail, Australia

ADDITIONAL AWARDS

TRAVEL & CONFERENCE ATTENDANCE

- 2019 National Institute of Health - Early Stage Investigator Travel Grant (\$US 1 600, equiv. €1.530) *awarded to attend the Body Composition Workshop*
- 2019 The Pennsylvania State University, Office of Postdoctoral Affairs Travel Award (\$US 500, equiv. €425)
- 2017 Grant-in-Aid Travel Grant, Queensland University Technology (\$AU 2 000, equiv. €1.500)
- 2015 World Obesity SCOPE School Scholarship (£GBP 350, equiv. €415) - *Conference Attendance*
-

RESEARCH EXPERIENCE

- 2012 Vacational Research Experience Scheme, Queensland University Technology (\$AU 2 000, equiv. €1.250) - *8-week research program*
-

SUPERVISION AND MENTORING

Doctor of Philosophy

- 2020 - Present Susannah Ayre
Queensland University Technology
Thesis title: 'Eating behaviours and parental feeding practices among siblings'
Role: External supervisor

Masters

- 2021 Simona Todorova
Erasmus University Rotterdam
Thesis title: 'Early life picky eating and development of disordered eating symptoms in early adolescence'
Role: Supervisor
- 2021 Judith van Russen Groen
Erasmus University Rotterdam
Thesis title: 'Associations between parental psychopathology and eating behaviours of children'
Role: Supervisor

Honours

- 2020 Boon Li (Ashley) Teoh
Queensland University Technology
Thesis title: 'Longitudinal Associations between fussy eating in children aged 0 to 5 years old and non-responsive feeding practices'
Role: Co-supervisor
- 2017 Bonnie Ria-Searle
Queensland University Technology
Thesis title: 'What children bring to the table: The association of temperament and child fussy eating with maternal and paternal mealtime structure'
Student won '2017 QUT Nutrition and Dietetics Award for the Best Research Paper' and published manuscript in *Appetite* (IF=3.868). *Role: Co-supervisor*
-

Summer Scholars

2018	Nicole Lakeman, School of Social Science The University of Queensland
2016 - 2017	Bonnie Ria-Searle Queensland University Technology

RESEARCH IMPACT

INVITED LECTURES AND PRESENTATIONS

Sep 2018	'Feeding Fussy Eaters' Undergraduate students in the School of Public Health The University of Queensland
March 2018	'Qualitative Research Methods' Masters students in the School of Public Health The University of Queensland
Dec 2017	Research Translation: Child fussy eating and family feeding – moving from 'What' to 'How' Queensland Children's Hospital Nutrition and Dietetics Department
Aug 2017	'Family Feeding Dynamics' Guest Lecturer to visiting undergraduate students from Chang Gung University, Taiwan Queensland University Technology
Jun 2016	'Family Feeding Dynamics' Université Laval, Canada
Nov 2014	'Australian Aboriginal and Torres Strait Islander Health and Nutrition' <i>Guest Lecturer to visiting undergraduate Nutrition and Dietetics students</i> Leeds Beckett University
Oct 2014	Nutrition and Dietetics 40 th Anniversary at Queensland University Technology <i>Presented experience as a graduate from QUT to Nutrition and Dietetics alumni</i>

RESEARCH DISSEMINATION AND TRANSLATION

Radio

Sept 2018	'Foodie Fridays' with Nicole Dyer on Australian Broadcasting Corporation (ABC)
May 2018	Kinderling Conversation with Shevonne Hunt
April 2018	ABC Brisbane Radio with Katherine Feeney
May 2017	ABC Brisbane Radio with Rebecca Levingston

Podcast

Oct 2021	Podcast by Claudia Hunot PhD
Sept 2018	Journal of Nutrition Education and Behavior podcast

Television

May 2018 [ABC Weekend Breakfast](#) – National live broadcast with Andrew Geoghegan and Johanna Nicholson

Print/ digital

May 2018 How to tell if your kid’s ‘fussy eating’ phase is normal - [The Conversation](#) by Holly Harris and Rebecca Byrne

Community presentations

Sep 2018 ‘Taste: the Door to your Diet’: Luminary Lecture at Gold Coast City Council Library
May 2018 ‘Fuelling food’ Nutrition Education Workshop to parents and children of ‘Walker Irish Dance’ School
Jun – Aug 2016 ‘Feeding the Family’ Nutrition Education Evening for parents and stakeholders

Webinars

March 2019 Martin CL, Järvelä-Reijonen E, **Harris HA**, Fulkerson JA. Webinar on “The Mentoring Program in the International Society of Behavioral Nutrition and Physical Activity.” International Society of Behavioral Nutrition and Physical Activity, March, 2019.

COMMUNITY OUTREACH

July 2018 Presenter for Aboriginal and Torres Strait Islander High school students regarding nutrition science
Representing the School of Public Health
The University of Queensland

July 2018 Presenter for STEM Kids Convention ‘Taste: the door to your diet’
Over 250 student delegates (aged 10-14 years old)
The University of Queensland

Mar 2018 Digital ambassador for the World Science Festival (Brisbane)

REFEREES
